**Subject:** Microsoft Settlement

To Whom It May Concern:

I am a California resident and, like millions of Americans, a technology consumer. I believe it is most definitely in the public interest to expedite settlement of the Microsoft case. Please, stop wasting finite government and private resources on this witch hunt. Let's move forward with technology and innovation, and stop punishing those who have done it well. Thank you.

Sincerely,  
Elizabeth H. Lester  
Fremont, California
